## Has & Have Fun Deck<sup>™</sup>

*Has & Have Fun Deck<sup>™</sup>* is a card game, produced and distributed through Super Duper Publications (FD# - 49) - [www.superduperinc.com](http://www.superduperinc.com). It is designed to teach use of the verbs *has* and *have*. The card deck contains 26 pairs of cards with each card of the pair depicting the same subject and object. A majority of the subject and object words pictured on the cards are a part of the Gateway core vocabulary. The chart below indicates which cards should be removed before beginning to play the game and/or other suggested additions/modifications. Since the game uses proper names for the characters depicted on the card, it is suggested is that the pronouns “he”, “she” and “they” be substituted for them when using any of the Gateway page sets.

The *Has & Have Fun Deck<sup>™</sup>* is an appropriate therapy tool for children 2<sup>nd</sup> grade and up, who are using Gateway<sup>®</sup> 40 or 60. It comes with suggested activities for how the cards can be used. For Gateway users who are included within regular education programs, the *Has & Have Fun Deck<sup>™</sup>* is a wonderful resource to integrate these children with peers who may be working on the same expressive language goals. In addition to the suggested games provided with the *Has & Have Fun Deck<sup>™</sup>* instructions, the stimulus cards can also be used as fun materials while encouraging children use their Gateway core words to describe “what else” they see in the pictures.
